## STUDY IN THE CZECH REPUBLIC

Studyin.cz is a resource for information about higher education in the Czech Republic. It provides essential information about the higher education system, study opportunities and student's life in the Czech Republic. Find out more and visit **Study in the Czech Republic** website [www.studyin.cz](http://www.studyin.cz).

### Are you a student interested in studying in the Czech Republic?

Let's follow the [Six steps to the Czech Republic](#) and do not hesitate to use our [interactive finder](#) to discover a wide range of courses and study programmes of Czech higher education institutions. Make things happen and study in the Czech Republic!

### Are you a professional looking for partner universities in the Czech Republic for future cooperation?

Download our [brochures](#) and get information about the Czech higher education system, universities and student's life in PDF from our [website](#).

Would you like to meet the representatives of Czech higher education institutions in person? We are attending higher education fairs NAFSA and EAIE regularly. We are looking forward to our future cooperation.
